I'm so into what you giving and it feel so good to me
You're beautiful and critical it's hard to live without you,
baby
When I wake up in the morning all I want to see is you
Heaven's blessing that he sent me unconditional and
true
Girl you mean the world to me and I hope you
understand
I will give you anything and I'll do the best I can to
make you see what I see

One word
Is all I need to say exactly how I feel
One word
A single word that's from the heart and keep it real
One word
And baby I know this one fits you to a tee
One word
All I can say is amazing

Always there when i was going through all kinds of
changes
You kept me lifted, said I'm gifted and you know I'm
gonna make it
So when you're tired and frustrated you can always
count on me
Girl I love ya and I want ya to know I'll be all you need
Girl you gave the world to me and you made me
understand

You would give me anything and you do the best you
can
You are what I hope to be

One word
Is all I need to say exactly how I feel
One word
A single word that's from the heart and keeps it real
One word
And baby I know this one fits you to a tee
One word
All I can say is amazing

One Word
I just want to celebrate yo, baby
And thank the Lord for sending you down to me
And your love is the reason why I believe
You're amazing
So amazing
Just amazing to me

One word
One word
One word

One word
One word
One word

One word
One word
One word

All I can say is amazing

One word
Is all I need to say exactly how I feel
One word
A single word that's from the heart and keeps it real
One word
And baby I know this one fits you to a tee
One word
All I can say is amazing
