(I love you
I'll call you in a little bit)

You're staring into the sky watching the planes fly by
It's been too long since I seen your face on
Thinking about you very ...
You make my heart smile in so many ways

Sweet baby...
Your body is so mine, is something I got
Loving you is such an amazing way to lose

Oh, oh, oh, all I ever think about is you
Oh, all I ever think about is you
Oh, yeah! All I ever think about is you!

...I can't help it think I found
You're the only one I ...
That I wanna take out...
Hey sexy momma wanna give you everything in the
world...

Oh, oh, oh, all I ever think about is you
Oh, all I ever think about is you
Oh, yeah! All I ever think about is you!

...stay in my mind side by side
Never been loving you
You are my best friend, and it's nothing that we can do...

Oh, oh, oh, all I ever think about is you
Oh, all I ever think about is you
Oh, yeah! All I ever think about is you!
I can't stop it, I can't stop it thinking about you, girl!
So all I ever think about is you!
I can't stop, I can't it thinking about you, girl!
