Peace, love and harmony
And presents underneath the tree
Good friends and family
Oh, that's the way that it's supposed to be, yeah

It should be more than once a year
That we adore the ones that we hold dear

And all I want this year for Christmas
Is every man, woman and child
To have a very merry Christmas
Like the Christmases of yesteryear's time
A very merry Christmas, oh yeah, oh

Sleigh bells and caroling
And five cents every song we'd sing, oh
All this behaving
Just to know what Christmas day would bring, oh

It only comes but once a year
Let's hope it comes upon a midnight clear

And all I want this year for Christmas
Is every man, woman and child, yeah
To have a very merry Christmas
Like the Christmases of yesteryear's time
Merry Christmas

All I want this year for Christmas
Is everything to be all right
I'll tell you one thing I know this much
Gonna celebrate this Christmas in style
A merry Christmas, oh

A merry, merry Christmas to you and yours
Yeah, merry Christmas y'all
Oh, like the Christmases of yesteryear's time
Merry Christmas

All I want this year for Christmas
Is everything to be all right
I'll tell you one thing I know this much

Gonna celebrate this Christmas in style
A merry Christmas

And all I want this year for Christmas
Is every man, woman and child, yeah
To have a very merry Christmas
