"Very Merry Christmas"

Visit "[Very Merry Christmas](#)" on MotoLyrics.com

Peace, love and harmony
And presents underneath the tree
Good friends and family
Oh, that's the way that it's supposed to be
Yeah, it should be more than once a year
That we adore the ones that we hold dear

And all I want this year for Christmas
Is every man, woman and child
To have a very merry Christmas
Like the Christmases of yesteryear's time
A very merry Christmas
Oh yeah, mmmm
Ohhhh

Sleighbells and caroling
And 5 cents every song we'd sing
All this behaving
Just to know what Christmas day would bring
Oh it only comes but once a year
Let's hope it comes upon a midnight clear

And all I want this year for Christmas
Is every man, woman and child
Yeah
To have a very merry Christmas
Like the Christmases of yesteryear's time
Merry Christmas

All I want this year for Christmas
Is everything to be all right
I'll tell you one thing, I know this much
Gonna celebrate this Christmas in style
Merry Christmas

Ohhh,
Merry, merry Christmas to you and yours
Yeah,
Merry Christmas y'all
Mmmm
Like the Christmases of yesteryear's time
Merry Christmas

All I want this year for Christmas
Is everything to be all right
I'll tell you one thing, I know this much
Gonna celebrate this Christmas in style
Merry Christmas

And all I want this year for Christmas, etc.
