It's snowing
On this cold December
And it's just me
And you
You know
We belong together
All that I do
You know I'm true

Come warm me up
It's cold outside
Let's bundle up
By the fire
Come warm me up
It's Christmastime
I want to know
What's your desire

This holiday
We'll celebrate
With candlelight
And champagne
So come
A little closer
Baby
I've got
Something for you
Won't stop
Until we're through

Come warm me up
It's cold outside
Let's bundle up
By the fire
Come warm me up
It's Christmastime
I want to know
What's your desire

Kiss me
Underneath
The mistletoe

I need you to know
I'm not going
Anywhere
I'll never leave
You
You know it's true
On this Christmas Eve
Christmas Eve for you

Come warm me up
It's cold outside
Let's bundle up
By the fire
Come warm me up
It's Christmastime
I want to know
What's your desire

(Chorus 2x)
