oh oh..  
(oh) everything's so right i know there's gotta be  
something wrong  
(oh oh oh) we ain't never lasted without a fight for so  
long  
(oh oh oh oh) gone for days telling me you're on  
vacation  
i remember using that same explanation  
(oh) and it feels like i'm slowly losing control

saddle little changes,  
so saddle that i really can't name them  
it's playing on my mind  
i can't sleep at night, i can't sleep at night (oh)

you're only doing what i did to you (you, you)  
and i guess i deserve it  
now i know what it feels like  
what it feels like, what it feels like  
this is what it feels like  
so there's no use running from the truth (truth, truth)  
i know that i hurt ya  
now i know what it feels like  
what it feels like, i know what it feels like  
this is what it feels like

i'm so willing to work it out  
for whatever it's worth wish i could go back and change  
it now (oh oh oh)  
revenge is a long and winding road we can only end up  
alone (oh oh oh oh)  
girl i know i did you wrong but tell me how long i have  
to pay for it (how long) (oh)  
situation's getting out of control maybe we should let it  
go

saddle little changes,  
i did it just a little too dangerous  
it's playing on my mind  
i can't sleep at night, i can't sleep at night (no)

you're only doing what i did to you (you, you)  
and i guess i deserve it  
now i know what it feels like  
what it feels like, what it feels like  
this is what it feels like  
so there's no use running from the truth (truth, truth)  
i know that i hurt ya  
now i know what it feels like  
what it feels like, i know what it feels like  
this is what it feels like

i hurt you, you hurt me  
that hurts us, it's unhealthy  
you hurt me, i hurt you  
that hurts us, we can only lose  
(oh oh oh) we can only lose  
(oh oh oh) we can only lose  
(oh oh oh) we can only lose  
(oh oh oh)

you're only doing what i did to you (you, you)  
and i guess i deserve it  
now i know what it feels like  
what it feels like, what it feels like  
this is what it feels like  
so there's no use running from the truth (truth, truth)  
i know that i hurt ya  
now i know what it feels like  
what it feels like, i know what it feels like  
this is what it feels like

(oh oh oh) i know what it feels like  
(oh oh oh) i know what it feels like  
(oh oh oh) i know what it feels like  
(oh oh oh) i know what it feels like
