Maybe it was wrong to say  
Nothing as you walked away  
Baby I know you've, been confused  
Telling me that it's too late  
I thought you say goodbye for good  
But you're still here with me  
How we get so miss understood

Cause you say (you say)  
You ain't got time for me  
Actions speak louder than words ??  
You try, to say, you'd rather be  
All by yourself  
Oohh but I can see the way  
The way you look at me  
And baby I don't believe (believe what you say)  
You say oohhh

You know that it's cool, to look  
Look the way you do tonight  
Girl you know I'm on, to you ??  
Cause something just don't add of right (no)  
I thought you said you felt unsure ??  
Oohh but hearts don't lie  
Cause now you're back at my front door  
Oohhhh

Cause you say (you say)

You ain't got time for me  
Actions speak louder than words  
You try, to say, you'd rather be  
All by yourself  
Oohh but I can see the way  
The way you look at me  
And baby I don't believe, believe what you say  
You say yeahhh

You thought I didn't care  
I thought you wouldn't stay  
I hope we can go furth from on this day ??  
Let start over again we don't have to pretend

That it's over, it's over

Cause you say (you say)

You ain't got time for me

Actions speak louder than words

You try, to say, you'd rather be

All by yourself

Oohh but I can see the way

The way you look at me

And baby I don't believe, believe what you say

You say oohhh

I dont believe what you say

Maybe I was wrong to say

Nothing as you walked away...
