Doot doo-doo, doo-doo, doo-doo, doo-doo, doo-
doo
Doot doo-doo, doo-doo, doo-doo, doo-doo, doo-
doo

It was like a hummingbird flew through the air between
us
Bringing nectar from your lips to mine
It was the kind of honey kiss that I had never tasted
Straight to my head like wine
I carried home the rush, the crush - your touch still
burning on my skin
I'm falling in, falling in - where you stop and
I begin

[chorus]

Leaves they fall - a clock is turning on the wall
Colors change
Iron rust - you can trust it will never stay the same
It's the day after everything changed

Doot doo-doo, doo-doo, doo-doo, doo-doo, doo-
doo
Behind the walls are cracks - the truth that will reveal us
Like water breaking stone
Buckets of rain are falling in the sheets between us
We lie together - we lie alone
Is it beautiful or broken - has it faded now unspoken?
A crack in the windowpane can break the world in two

[chorus]

Leaves they fall, a clock is turning on the wall
Colors change
Iron rust - you can trust that it will never be the same
It's the day after everything changed

Doot doo-doo, doo-doo, doo-doo, doo-doo, doo-
doo
Doot doo-doo, doo-doo, doo-doo, doo-doo, doo-
doo
