You wanna rock it, drop it, You can't stop it
Shake it, Work it, You can't work it
Like you grown, now shake them bones
And do it like you're in your zone

V.1

I hate my job, hey
It ain't worth the pay
I don't make a lot of money
And I thought about quitting today
Like they do down south, huh
I wanna take off my shoes and run
And shake it like a monkey
Oh, Lord I'm bout to get loose

Pre-Chorus 1

TonightÂ...I'm gonna get a little bit rowdy
TonightÂ...You know it don't start without me
TonightÂ...We be rockin' til 6 in morning
TonightÂ...Move over to the store no yawnin

Chorus

Get you monkey on the floor tonight
Get your monkey on the floor tonight
(Give it to me)
Get your monkey on the floor tonight
Get you monkey on the floor tonight
(Give it to me)
You got your body here
Come get your monkey back
You got your body here
Come get your monkey back

V.2

Can't be worried about the weave tonight
Sweat the perm out girl it's alright
Fellas wanna lean with it, rock with it
It's lookin like I might wanna snap with it
I'm shakin' like the rent ain't due.

Forget about the car note too
I put my pride up on the shelf

Shakin it and jigglin' it by myself

Pre-Chorus 2

TonightÂ...Time to get it when you hear that sound
TonightÂ...DJ spinning like we're underground
TonightÂ...Two stepping don't work here anymore
TonightÂ...Time to put it down on the dance floor

Chorus

Rap

What you know about this boy right here
I see you wanna make a move but you lookin kinda
scared
Singing like a soprano as I'm fading to black
I should be the one wiping the sweat up off the back
But you got this kangaroo cat all up in your ear
And just looking for ways so that you and I can chill
I'm like a stealth panther, just maneuvering to strike
So I can nibble your ear and whisper all the things you
like
Take a sip of this kahlua, get your monkey on tonight
Drop down to the floor and step into the light

Pre-Chorus 2

Chorus

Roll with it, Rock with it
Lean with it, Drop it
Shake it like a monkey, Shake it like a monkey, Shake it
Shake it like a monkey, Shake it like a monkey, Shake it
