It's a long drive from your house to mine
And it's a quarter past ten and you're just not
around

So tell me what are some things you like
And we'll give them a try

Chorus:
Just don't ask me what we should do
Cuz I'm more indecisive than you
Just make a choice and take it
And I'll make sure to follow through
Following you

If it's movies you want to go see
Then I'll make sure you get to see every screen

Just take my hand and lead me
Anywhere you want to go

(Chorus)

Following you (x2)

So if you like long drives and staying up all night
Then we'll drive out past the lights and lay under the
sky

(Chorus)

Following you (x3)
