Visit "[Leaving Tomorrow](#)" on MotoLyrics.com

This is the second time today
That I have been through
And though I keep on looking
I know I won't find you

Cuz I left you yesterday
Over 100 miles away
With nothing more than an open door
And you begging me to stay

Chorus:
And I know that you don't want to let me go
But I'm leaving here I'm leaving here tomorrow

And this is the second time today
That I have looked at my cell phone
To see if I missed any calls from home

(Chorus x3)
