I know a place
Where we can go
The lights are fast
And the lights are low

I know a place
Just take it slow
Hit the road, Jack
With your radio

[CHORUS]
Let's rock, let's roll
Let's add a lick of soul
Let's put in in a glass
Add a touch of class
Let's rock and roll

Let's boogie down
Let's boogie up
Lovely lady
And turn it around

From side to side
And to and fro
That's the way
Let it go

[Repeat CHORUS]

Ba ba ba da...

Let's rock, let's roll
Let's add a lick of soul
Let's rock, let's roll
Let's add a lick of soul

Let's rock, let's roll
Let's add a lick of soul
Let's rock, let's roll
Let's add a lick of soul

Let's boogie up

And boogie down
Lovely lady
And turn it around

From side to side
And to and fro
That's the way
Let it go

[Repeat CHORUS 5x to fade]
