My skin is crawling, there's something wrong,
I hear voices there morbid song.
Two time loser my hope is gone,
Maybe it's just as well,

I try to speak, no words to find,
The emotional well, well it has run dry.
I no longer care who I may hurt,
Maybe it's just as well!

(Chorus)
Evil is my destiny,
I wanna make you cry, wanna make you bleed.
Evil is my destiny,
When I'm done, you will remember me!

My hands are shaking, I'm just not right,
Can't stop the hurting, I've lost my mind.
Two time loser, my hope is gone
Maybe it's just as well...

I never was a popular guy,
The emotional well has run dry.
And killing you just makes me smile,
Maybe it's just as well!

(Chorus)

They will remember me...

My skin is crawling, there's something wrong,
I hear voices singing their morbid song.
Two time loser my hope is gone,
Maybe it's just as well,

I never was a popular guy,
The emotional well, well it has run dry.
And killing you just makes me smile,
Maybe it's just as well!

(Chorus)

They will remember me...
