Emotions got me feeling down
I know my head's spinning around
Confused and feeling like a chump
What I try to do never seems to work

Well I know that I'm lazy
Maybe just a little crazy
But before you walk away
There's just one thing I want to say

We're all okay
We're all okay

Confused and feeling kinda sad
Gotta take the good along with the bad
Now I'm sitting here all by myself
Cuz I gotta talk to no one else

Well I know that I'm lazy
Maybe just a little crazy
But before you walk away
There's just one thing I want to say

We're all okay
We're all okay

Well I know that I'm lazy
Maybe just a little crazy
But before you walk away
There's just one thing I want to say

(people cheering)

We're all okay
We're all okay
We're all okay
We're all okay

We're okay (15x)
