(Sung by Johnny)
Elmo, whisper in my ear,
I really wanna hear,
The things you did today
That satisfied you...

(Sung by Elmo)
Elmo reached the highest shelf,
He got dressed by himself,
And Elmo wants to say
He's filled with pride, yeah!

(Sung by Johnny)
When you've done the best you could,
You feel really, really good!
You're feelin' that pride!

Yeah, gonna feel that pride...

(Sung by Johnny)
You helped your mother bake a pie,
You fell and didn't cry,
You made your bed and said
Your ABC's

(Sung by Elmo)
Elmo learned to tie his shoe,
He added two and two,
Elmo drank up all his milk
And ate his peas!

(Sung by Johnny)
When you've done the best you could,
You feel really, really good!
You're feelin' that pride!

Ooh, pride...

And you can be the monster that you
Dreamed you'd always be.

(Sung by Elmo)
Elmo's feelin' that nothing can stop him!

(Sung by Johnny)
Elmo nothing is beyond you,
Let those good thoughts fill your head,
You are furry, proud and red!

(Sung by Elmo)
Elmo...no one can top him!

(Sung by Johnny)
And he's so proud!

(Sung by John)
Be the best that you can be...

(Sung by Elmo)
Elmo is so proud of ME!
