I can't stop lovin', my baby tonight
I can't stop lovin', my baby tonight
No matter what I do, she don't treat me right

I left my baby, this mornin' soon
I left my baby, this mornin' soon
I didn't come back home, till in the afternoon

Ooh baby, you know I'm all alone
Yes baby, you know I'm all alone
I ain't had no lovin', now my baby's gone

Note: this song is another, shorter version of I Can't Stop Lovin' You. It has only 3 instead of 5 verses.
