I'm gonna get up in the morning, I believe I'll dust my blues

Gonna get up in the morning, I believe I'll dust my blues

I gotta leave my baby, I ain't got no time to lose

I don't want no woman, that'll treat me wrong all the time

I don't want no woman, that'll treat me wrong all the time

Well I'm tired of the way she treats me

'Cause I'm about to lose my mind

I'm gonna write a letter, I better send her a telegram

I'm gonna write a letter and I better send her a telegram

She left me soon this morning, and she's got me in an awful jam

I believe, I believe my time ain't long

I believe, I believe my time ain't long

I gotta leave my baby, I gotta leave my happy home
