It Hurts Me Too - Elmore James

You said you were hurting
You almost lost your mind
Now the man you love
he hurts you all the time
but when things go wrong
go wrong with you
It hurts me too

You love him more
when you should love him less
why lick up behind him
and take his mess
but when things go wrong
go wrong with you
It hurts me too

He loves another woman
yes I love you
but you love him
and stick to him like glue
but when things go wrong
go wrong with you
It hurts me too

Now he better leave you
or you better put him down
no I wont stand
to see you pushed around
but when things go wrong
go wrong with you
It hurts me too
