Ahh, you babes talk about your Madison shoes
We got a thing we call the Madison blues
We do the Madison blues
We do the Madison blues
We do the Madison blues baby
Rock away your blues

I know a gal her name is Lindsey Lou
She told me she loved me but I know it ain't true
Put on your Madison shoes
Put on your Madison blue shoes
I got the Madison blues
Now put on your Madison blue shoes

Ahh, you cats talking about your Madison shoes
We do the thing we call the Madison blues
We do the Madison blues
We do the Madison blues
We do the Madison blues baby
Rock away your blues

Ah you babes talk about your Madison shoes
We got a thing we call the Madison blues
We do the Madison blues
We do the Madison blues
We do the Madison blues baby
Rock away your blues
