The Sky is Crying  
by E. James, M. Levy, C. Lewis  
performed by Stevie Ray Vaughan

The sky is cryin. can't you see the tears roll down the street  
The sky is cryin. can't you see the tears roll down the street  
Ive been looking for my baby  
And I wonder where can she be

I saw my baby early one morning. She was walking on down the street  
I saw my baby early this morning. She was walking on down the street  
You know it hurt me, hurt me so bad  
Made my poor heart skip a beat

[guitar solo x2]

Ive got a real real real real bad feelin that my baby she don't love me no more  
Ive got a real real bad feelin that my baby don't love me no more  
You know the sky, the skys been cryin  
can't you see the tears roll down my nose
