Tell me whose, baby, whose old muddy shoes I see
Now, tell me whose, baby, whose old muddy shoes I
see
They're down at the head of my bed, darling, where my
shoes outta be

My baby and I got along just fine, until she went wrong
I woke up in the mornin', she had left from home
Now, tell me whose, baby, whose old muddy shoes I
see
Well, down at the head of my bed, darling, where my
shoes outta be

Her hair was long and curly, and her teeth shine just
like pearl
She wake up in the mornin', she jump just like a
squirrel.
Now, tell me whose, baby, whose old muddy shoes I
see
Well, they're down at the head of my bed, darling,
where my shoes outta be

Now, when I love her in the mornin', she always stay at
home
But, now she's gone and left me, she left me all alone.
Now, tell me whose, baby, whose old muddy shoes I
see
Well, they down at the head of my bed, where my
shoes outta be
