a glow on the horizon so near and yet so far rich and vivid sunsets the marker of our time see the light feel its warmth see the glow which fills the sky a light with magic powers which penetrates my heart a light which wakes my senses that sets my thoughts aflame see the light, feel it's warmth touch the glow, that fills the mind is this the twilight of lifetimes gone, before or is the night now over bringing forth, the dawn...dawn...dawn...dawn...dawn. as in a raging tempest we hear the thunder cry we see the trees fall victim see spears of lightning fly HEAR ME dream or reality? HEAR ME is someone calling me? end your bondage new and throw away your chains no more hesitation, now's the time to change leave the road you're on for there's a better way be just what you are and let your spirit free the questions without answers are written on the wall the please of spray can poets who heeds them when they call? **HEAR ME** dream or reality HEAR ME is someone calling me? end your bondage now and throw away your chains no more hesitation, now's the time to change leave the road you're on for there's a better way be just what you are and let your spirit free follow the light have no fear you won't burn your eyes follow the light feel it's never ending warmth, it can

heal the blind follow the light have no fear you won't burn your eyes follow the light it's your future you will realize follow the light feel it's power feel it in your soul follow the light it is here, it is there, it is everywhere, everywhere you go
