Jubliation,
The dance and wine;
The screams and shouts,
Once so divine
Rude and reckless
They turn the wheel
Of fate and future
Though their views concealed
Hesitation hinders
And takes it's toll
Swaying and falling
With no control
The avalanche of no future
Transcends into aimlessness
The foundation of whole mankind
Crumbles to a point of no return
Hesitation hinders and takes it's toll
Swaying and falling they lose control
Hesitation hinders and takes it's toll
Swaying and falling they lose control
Mindless zoo of fools
A borderless, guideless mass
They're immune to echoing signs
Thundering a in the past
No one but themselves as for
To fight and handle with;
No one but theirselves in the way
Hesitation hinders and takes it's toll
Swaying and falling they lose control
Mindless zoo of fools
A borderless, guideless mass
They're immune to echoing signs
Thundering a in the past
No one but themselves as for
To fight and handle with;
No one but theirselves in the way
