You try to get success directly
The way is far and even hard
Once in a while it'll get shorter
Sometimes the way is out of reach
Up and down, up and down
Up and down, up and down
Up and down, up and down
Up and down, up and down
We could join league, shape our life
But there's one to destroy us
Perhaps he make it ignorant
But there the loud music echoes
Up and down, up and down
Up and down, up and down
Up and down, up and down
Up and down, up and down
We oppose these matter of facts
But sometimes we couldn't do against that
In the course of time we succeed in doing
The next time will demonstrate
If our time
If our time come thru
Nevertheless
Nevertheless
We will do more
We will do more about armageddon
