The secret of love  
Lies here in my heart  
It's a feeling of passion  
Which you are a part  
The flame is now burning  
And love has just started

The secret of love  
Burns me inside  
Just wanting you  
Is hurting my pride  
To learn the secret of love  
Oh, please be my bride

To find the secret  
You need help from above  
It takes more than one  
To find the secret of love

The secret of love  
Burns me inside  
Just wanting you  
Is hurting my pride  
To learn the secret of love  
Oh, please be my bride
