It's so strange he doesn't show me more affection than
he needs

Almost formal, too respectful, never takes romantic
leads

There are times when I imagine I'm not always on his
mind

He's not thinking what I'm thinking, always half a step
behind

Always half a step behind

I'm in every kind of trouble, can't you tell, just look at
me

Half ecstatic, half dejected, all in all I'm all at sea
Easy terms I thought I wanted, fill me now with chilling
dread

You can never know the chaos, of a life turned on it's
head

Of a life turned on it's head

I am certain that I love him but a love can be misplaced
Have I compromised my people in my passion and my
haste?

I could be his life companion, anywhere but where we
are

Am I a leader? Am I a traitor? Did I take a step to far?

Did I take a step to far?

Did I take a step to far?

I am certain that I love him but a love can be misplaced
Did I take a step to far?

So strange he doesn't show me more affection than he
needs

Did I take a step to far?

I am certain that I love him but a love can be misplaced

Did I take a step to far?
