I can show you the world, Shining, shimmering,  
splendid  
Tell me, princess, now when did you last let your heart  
decide?

I can open your eyes, Take you wonder by wonder  
Over, sideways and under, On a magic carpet ride

A whole new world, A new fantastic point of view  
No one to tell us no, Or where to go  
Or say we're only dreaming

A whole new world, A dazzling place I never knew  
But when I'm way up here, It's crystal clear  
That now I'm in a whole new world with you

Now I'm in a whole new world with you

Unbelievable sights, Indescribable fee-eeling  
Soaring, tumbling, freewheeling, through an endless  
diamond sky

A whole new world  
Don't you dare close your eyes  
A hundred thousand things to see  
Hold your breath, it gets better  
I'm like a shooting star, I've come so far  
I can't go back to where I used to be

A whole new world  
Every turn a surprise  
With new horizons to pursue  
Every moment, red-letter

I'll chase them anywhere, There's time to spare  
Let me share this whole new wor-orld with you

A whole new world  
A whole new world  
That's where we'll be  
That's where we'll be  
A thrilling chase  
A wondrous place

For you a-and for me
