You're a cool little one  
My dark southern breeze  
Sweeps through my fingers  
And it amazes me  
Dixie shadow land  
Your envy shelters me  
Lay down your burden  
Mystery of ebony

And it amazes me  
Oh, it amazes me  
Maybe the heat babe  
Could be this tune  
It amazes me  
It amazes me  
What drives me crazy  
Is that big fat yellow moon

Look up, that pale light  
Well, she's waking the trees  
I'm drifting into your hoodoo  
And it amazes me  
That Magnolia state  
Ooh, got a hold on me  
I got no blues to preach  
Just the Mississippi company

And it amazes me  
Oh, it amazes me  
Maybe the heat babe  
Could be this tune  
It amazes me  
It amazes me  
What drives me crazy  
Is that big fat yellow moon  
And it amazes me

Ain't no magic potion  
No grigri on her side  
She's a bound to my salvation  
Sweet little mama  
Take me down by the river tonight

And it amazes me

And it amazes me  
It amazes me  
Maybe the heat babe  
Could be this tune  
It amazes me  
Oh, it amazes me  
What drives me crazy  
Is that big fat yellow moon  
And it amazes me
