You're mine, you're mi-ine, the stars told me
You're mine, you're mi-ine, it's your destiny (oh baby)
It's true, it's true-ue, it was meant to be
It's true, it's true-ue, it's your destiny
(Ya-ya-oooh-ya-ya, Ya-ya-oooh-oooh-oooh-ya-ya)
And in your mi-ind your heart is free
And in your hear-eart your mind is free
And you got everything that you need to be
To be what you wa-anna be

I just wanna be with you, I just wanna be with you
I just wanna be with you, (l...) ooh baby, that's all
(Ya-ya-oooh-ya-ya, Ya-ya-oooh-oooh-oooh-ya-ya)

You're mine, you're mi-ine, the stars told me
You're mine, you're mi-ine, it's your destiny (ya-ya-oooh-
ya-ya)
Destiny, yeah-eah (ya-ya-oooh-oooh-oooh-ya-ya)
And for your world, my love is free
There's nothi-in' here-ere, holdin' me
Send this feeling, deep on dow-own, down down

I just wanna be with you, I just wanna be with you
I just wanna be with you, baby (l...) ahh baby, that's all

Well, the authorities have got their problems
I always try to be one of them
And I think I'd be happy to be bad, if you said I was
good at it
Please baby, please baby, tell me-ee, was I good at it
Was I good at it, was I good at it, was I good at it
Was I good at it, was I good at it, ahh-hah

I just wanna be with you (ya-ya-oooh-oooh-oooh) ahh baby
(ya-ya-oooh-ya-ya)
I just wanna be with you (ya-ya-oooh-oooh-oooh) that's all
Please baby, please baby, please baby, please baby,
please
You know what I mean
Please baby, please baby, please baby, please baby,
please

You know what I mean

I just wanna be with you, I just wanna be with you
I just wanna be with you, I just wanna be with you
Please baby, please baby, pl
