She slid down to the city limits
Monkey time in fifteen minutes
Bite your lip, get up, get up and dance

Don't let me down
Please stick around
Bite your lip, get up, get up and dance

Strobe light on funky feet
Soul children in the disco heat
Top dog, top cat
Move that muscle and shake that fat
Bite your lip, get up, get up and dance

Strobe light on funky feet
Soul children in the disco heat
Top dog, top cat
Move that muscle and shake that fat
Bite your lip, get up, get up and dance

Chicago, L.A.
Everyplace, every way
Bite your lip, get up, get up and dance

Illinois, Santa Fe
Do, do, do, do, do, do, do what I say
Bite your lip, get up, get up and dance

Bite your lip, get up, get up and dance
Bite your lip, get up, get up and dance
Bite your lip, get up, get up and dance, dance, dance

Bite your lip, get up, get up and dance
Bite your lip, get up, get up and dance
Bite your lip, get up, get up and dance, dance, dance

Bite your lip, get up, get up and dance
Bite your lip, get up, get up and dance
Bite your lip, get up, get up and dance, dance, dance
