Hey you, you're a child in my head  
You haven't walked yet  
Your first words have yet to be said  
But I swear you'll be blessed

I know you're still just a dream  
Your eyes might be green  
Or the bluest that I've ever seen  
Anyway you'll be blessed

And you, you'll be blessed  
You'll have the best, I promise you that  
I'll pick a star from the sky, pull your name from my hat  
I promise you that, promise you that  
Promise you that, you'll be blessed

I need you before I'm too old  
To have and to hold  
To walk with you and watch you grow  
And know that you're blessed

And you, you'll be blessed  
You'll have the best, I promise you that  
I'll pick a star from the sky, pull your name from my hat  
I promise you that, promise you that

You, you'll be blessed  
You'll have the best, I promise you that  
I'll pick a star from the sky, pull your name from my hat  
I promise you that, promise you that  
Promise you that, you'll be blessed

(I promise you that, promise you that)  
(Promise you that)

You'll be blessed  
You'll be blessed
