Elton: Mama, just killed a man
Elton: Put a gun against his head
Elton: Pulled my trigger now he's dead
Elton: Mama, life had just begun
Elton: Now I've gone and thrown it all away

Elton: Mama, oooh, ooh, ooh, ooh
Elton: Didn't mean to make you cry
Elton: If I'm not back again this time tomorrow
Elton: Carry on, carry on, as if nothing really matters

Elton: Too late, my time has come
Elton: Sends shivers down my spine
Elton: Body's aching all the time
Elton: Goodbye everybody, I've got to go
Elton: Gotta leave you all behind and face the truth

Audience: Mama
Elton: Oooh, ooh, ooh, ooh
Elton: No, I don't want to die
Elton: Sometimes wish I'd never been born at all

I see a little silhouetto of a man
Scaramouche, Scaramouche will you do the fandango?
Thunderbolts and lightning - very, very frightening me
Gallileo, gallileo
Gallileo, gallileo
Gallileo, figaro - magnifico-o-o-o-oh
I'm just a poor boy, nobody loves me
He's just a poor boy from a poor family
Spare him his life from this monstrosity

Easy come, easy go, will you let me go
Bismillah! No - we will not let you go, let him go
Bismillah! We will not let you go, let him go
Bismillah! We will not let you go, let me go
Will not let you go, let me go
Never, never, never, never, never (never let you go)
Never let me go-o-o-o-oh
No, no, no, no, no, no, no
Oh, mama mia, mama mia

Mama mia let me go
Beelzebub has a devil put aside for me, for me, for me

Axl: So you think you can stone me and spit in my eye?

Axl: So you think you can love me and leave me to die?

Axl: Woh, baby, can't do this to me baby

Axl: Just gotta get out - just gotta get right outta here

(Oooh yeah, oooh yeah)

Both: Nothing really matters

Both: Anyone can see

Both: Nothing really matters

Both: Nothing really matters to me

Both: Anyway the wind blows
