Holy Moses I have been removed
I have seen the spectre he has been here too
Distant cousin from down the line
Brand of people who ain't my kind
Holy Moses I have been removed

Holy Moses I have been deceived
Now the wind has changed direction and I'll have to
leave
Won't you please excuse my frankness but it's not my
cup of tea
Holy Moses I have been deceived

I'm going back to the border
Where my affairs, my affairs ain't abused
I can't take any more bad water
I've been poisoned from my head down to my shoes

Holy Moses I have been deceived
Holy Moses let us live in peace
Let us strive to find a way to make all hatred cease
There's a man over there what's his colour I don't care
He's my brother let us live in peace
He's my brother let us live in peace
He's my brother let us live in peace
