You've been crying  
And there ain't no use denying  
It was me  
Who put you through this misery

And I'd like to say I'm sorry  
But I can't, no, I can't  
Nothing's gonna change me  
Baby, that's the way I am

I was born bad  
Always been the same  
Yes, I was born bad  
Never gonna change

'Cause I was born bad  
Only me to blame  
'Cause I was born bad  
Yes, I was born bad

Always been my habit  
I was born bad  
Just can't seem to help it

I was born bad  
Always gonna happen  
I was born bad, 'cause I was born bad

I mistreat you  
And you know, I always cheat you  
But that's me  
And that's the it's always been

And I'd like to say I'm sorry  
But I can't, no, I can't  
Nothing's gonna change me  
Baby, that's the way I am

'Cause I was born bad  
Always been the same  
Yeah, I was born bad  
Never gonna change

'Cause I was born bad  
Only me to blame  
Oh, I was born bad

Oh, I was born bad  
Always been my habit  
I was born bad  
Just can't seem to help it

I was born bad  
Always gonna happen  
I was born bad, oh, I was born bad  
'Cause I was born bad, I was born bad

Born bad  
Always been the same  
Yes, I was born bad  
Never gonna change

'Cause I was born bad  
Only me to blame  
Oh, I was born bad

Oh, I was born bad  
Always been my habit  
I was born bad  
Just can't seem to help it

I was born bad  
Always gonna happen  
I was born bad

Always been so bad  
Always been bad  
Always been so bad

And I was born bad  
Always been the same  
Yeah, I was born bad  
Never gonna change

'Cause I was born bad  
Only me to blame  
'Cause, I was born bad

Yeah, I was born bad  
Always been a habit  
I was born bad  
Just can't seem to help it

I was born bad  
Always gonna happen  
I was born bad, I was born bad  
And I was born bad, yeah, I was born bad

Born bad  
Always been the same  
Yes, I was born bad  
Never gonna change

'Cause I was born bad  
Only me to blame  
'Cause I was born bad

Well, I was born bad  
Always been a habit  
I was born bad  
Just can't seem to help it

I was born bad  
Always gonna happen  
I was born bad, yeah, I was born bad

Yeah, yeah, I was born bad  
Yeah, yeah, I was born bad  
Only me to blame  
'Cause I was born bad  
Yeah, I was born bad
