This thing called love I just can't handle it  
This thing called love I must get round to it  
I ain't ready  
Crazy little thing called love

This thing (this thing) called love (called love)  
It cries (like a baby)  
In a cradle all night  
It swings (woo, woo)  
It jives (woo, woo)  
It shakes all over like a jelly fish (oooh, oooh)  
I kinda like it  
Crazy little thing called love

There goes my baby  
She knows how to rock 'n' roll  
She drives me crazy  
She gives me hot and cold fever  
She leaves me in a cool, cool sweat

This thing called love I just can't handle it  
This thing called love I must get round to it  
I ain't ready (oooh, oooh, oooh, oooh)  
Crazy little thing called love  
Little thing called love
