Sartorial Eloquence  
Elton John  
(Elton John/Tom Robinson)

You've a certain sartorial eloquence  
And a style that's almost of your own  
You've got the knack of being so laid-back  
It's like talking to the great Unknown

You've got a self-sufficient swept-back hairdo  
Pretty certain that you've got it made  
Oh your lifestyle shows in the clothes you chose  
Sitting pretty in the masquerade

Chorus  
Sing it  
Don't you wanna play this game no more  
Don't you wanna play no more?  
Don't you wanna play this game no more  
Don't you wanna play no more?

You remain the only main contender  
Though you never, you never meant to lose at all  
Down at the mouth yet unsurrounded  
Adamant before the fall  
Though when you go you know I might be lonesome  
But I'll keep it under close control  
Go and get your kicks and babe let's call it quits  
I believe I'm feeling indisposed Repeat chorus
