I don't remember the words to the song. I just remember that I heard it before.

The Holiday Express came to perform at the Hagedorn Hospital this afternoon. In the newspaper the Somerset newspaper I read that they are going to Matheny school, too.

They are all very handsome and beautiful and ery good singers and musicians. I wish I could sing and perform like them. There was a lady there with a bright blue skirt - I saw a bright blue skirt like that once I wanted and I wanted to perform on stage with Elton and be wearing a skirt just like that. I know my voice isn't perfect, but people still say I have a pretty voice.

They said they will come back next hear if we will let them. I hope I won't be here next year. I hope I will be living with my parents again. I hope Holiday Express will be back here again next year, though.

Step into Christmas, Step into Christmas! Do you know the rest of the words to the song Step into Christmas?
