How come you're so understanding

When I tell you all my lies

And pretending to believe them

See through all my alibis

And I need you more than ever

And I want you till the end

Chloe

How you handle what you live through

I can never hope to learn

Taking all the pain I give you

Loving blindly in return

And I need you more than ever

I will always be your friend

Chloe

Chloe

Chloe, what you gonna do about me

Chloe, what you gonna do

What you gonna do about me

You're the lifeline that I cling to

When I feel like givin' in

When the dreams that I rely on

Start to wear a little thin

Then I need you more than ever

And I want you till the end

Chloe

Chloe

Chloe, what you gonna do about me

Chloe, what you gonna do

What you gonna do about me

Then I need you more than ever

And I want you till the end

Chloe

Chloe

Chloe, what you gonna do about me

Chloe, what you gonna do

What you gonna do about me

What you gonna do about me
