

Elton John

"Flinstone Boy"

Visit "[Flinstone Boy](#)" on MotoLyrics.com

Please don't talk about the Flinstone boy
He's alright with me
Please don't talk about the Flinstone boy
He's alright with me

Please don't worry about the Flinstone boy
He got trouble but he ain't got joy
Please don't talk about the Flinstone boy
Please don't talk about the Flinstone boy

Don't you worry
He's alright with me
Oh, yeah, oh, yeah

Please don't worry about the Flinstone boy
He's alright with me
Please don't worry about the Flinstone boy
He's alright with me

Please don't talk about the Flinstone boy
He got trouble and he ain't got joy
Please don't worry about the Flinstone boy
Please don't worry about the Flinstone boy

Don't you worry
He's alright with me
Oh, yeah, oh, yeah

Well, Joey had a lover but he had to run for cover
When someone told a lie
Jo, Jo, his lover, he'd been cheating on him
Shouldn't he know why

Joey had a lover but he had to run for cover
When someone let him down
Jo, Jo, his lover, he'd been cheating on him
He'd been messing around

Please don't talk about the Flinstone boy
He's alright with me
Please don't talk about the Flinstone boy
He's alright with me

Please don't worry about the Flinstone boy
He got trouble but he ain't got joy
Please don't talk about the Flinstone boy
Please don't talk about the Flinstone boy

Don't you worry
He's alright with me
Oh, yeah, oh, yeah

Well, Joey had a lover but he had to run for cover
When someone let him down
Jo, Jo, his lover, he'd been cheating on him
Shouldn't he know why

Joey had a lover but he had to run for cover
When someone let him down
Jo, Jo, his lover, he'd been cheating on him
He'd been messing around

Please don't talk about the Flinstone boy
He's alright with me
Please don't talk about the Flinstone boy
He's alright with me

Please don't worry about the Flinstone boy
He got trouble but he ain't no joy
Please don't talk about the Flinstone boy
Please don't talk about the Flinstone boy

Don't you worry
He's alright with me
Oh, yeah, oh, yeah
Oh, yeah, oh, yeah
