Roger: - Four

It's a beautiful day
The postman delivered a letter from your lover
Only a phone call away
Tried to track him down but somebody stole his
number
As a matter of fact
You're getting used to life without him in your way
It's so easy now, cos' you got friends you can trust

Friends will be friends
When you're in need of love they give you care and
attention
Friends will be friends
When you're through with life and all hope is lost
Hold out your hand, friends will be friends
Right till the end
