You win again, you gypsy heart  
I count the days that we're apart  
I sleep alone when you're away  
No sense in saying I wish you'd stay

It's all the same, you never change  
You come and go just like the rain  
I pray each day that you are gone  
This time it won't be so long

Your gypsy heart will never find  
Any arms as warm as mine  
And gypsy, when we meet again  
I'll play my part and wrap you up inside my arms  
Oh, you gypsy heart

Your gypsy heart can always call  
When your back's against the wall  
And darling, then I'll just pretend right from the start  
You never left me on my own  
Oh, you gypsy heart

I pray each day that you are gone  
This time, oh, it won't be so long

Your gypsy heart will never find  
Any arms as warm as mine  
And gypsy, when we meet again  
I'll play my part and wrap you up inside my arms  
Oh, you gypsy heart

Your gypsy heart can always call  
When your back's against the wall  
And darling, then I'll just pretend right from the start  
You never left me on my own  
Oh, you gypsy heart

Your gypsy heart will never find  
Any arms as warm as mine  
And gypsy, when we meet again  
I'll play my part and wrap you up inside my arms  
Oh, you gypsy heart

Your gypsy heart can always call  
When your back's against the wall  
And darling, then I'll just pretend right from the start  
You never left me on my own  
Oh, you gypsy heart
