I never dreamed I could cry so hard  
That ain't like a man  
I could fly like a bird some days  
Had a place where I could land

I could have sworn we were all locked in  
Ain't that what you said  
I never knew it could hurt so bad  
When the power of love is dead

But giving into the nighttime  
Ain't no cure for the pain  
You gotta wade into the water  
You gotta learn to live again

And reach out for her healing hands  
Reach out for her healing hands  
There's a light, where the darkness ends  
Touch me now and let me see again  
Rock me now in your gentle healing hands

I never knew love like poison  
That burned like a fire  
All I ever wanted was a reason  
To drown in your eyes

I never knew sleep so restless  
Empty arms so cold  
That's not the way it's supposed to be  
It ain't the spell that I was sold
