I never dreamed, I could cry so hard  
That ain't like a man  
I could fly like a bird some days  
Had a place where I could land

I could have sworn, we were all locked in  
Ain't that what you said  
I never knew it could hurt so bad  
When the power of love is dead

But givin' into the nighttime  
Ain't no cure for the pain  
You gotta wade into the water  
You gotta learn to live again

And reach out for her healin' hands  
Reach out for her healin' hands  
There's a light, where the darkness ends  
Touch me now and let me see again  
Rock me now in your gentle healin' hands

I never knew love like poison  
That burned like a fire  
All I ever wanted was a reason  
To drown in your eyes

I never knew sleep so restless  
Empty arms so cold  
That's not the way, it's supposed to be  
It ain't the spell that I was sold

But givin' into the nighttime  
Ain't no cure for the pain  
You gotta wade into the water  
You gotta learn to live again

And reach out for her healin' hands  
Reach out for her healin' hands  
There's a light, where the darkness ends  
Touch me now and let me see again  
Rock me now in your gentle healin' hands

Givin' into the nighttime  
Ain't no cure for the pain  
You gotta wade into the water  
You gotta learn to live again

And reach out for her healin' hands  
Reach out for her healin' hands  
There's a light, where the darkness ends  
Touch me now and let me see again  
Rock me now in your gentle healin' hands

Reach out for her healin' hands  
Reach out for her healin' hands  
There's a light, where the darkness ends  
Touch me now and let me see again  
Rock me now in your gentle healin' hands

Rock me now  
Reach out for her healin' hands  
Reach out for her healin' hands  
There's a light, where the darkness ends  
Touch me now and let me see again
