I never dreamed, I could cry so hard
That ain't like a man
I could fly like a bird some days
Had a place where I could land

I could have sworn, we were all locked in
Ain't that what you said
I never knew it could hurt so bad
When the power of love is dead

But givin' into the nighttime
Ain't no cure for the pain
You gotta wade into the water
You gotta learn to live again

And reach out for her healin' hands
Reach out for her healin' hands
There's a light, where the darkness ends
Touch me now and let me see again
Rock me now in your gentle healin' hands

I never knew love like poison
That burned like a fire
All I ever wanted was a reason
To drown in your eyes

I never knew sleep so restless
Empty arms so cold
That's not the way, it's supposed to be
It ain't the spell that I was sold

But givin' into the nighttime
Ain't no cure for the pain
You gotta wade into the water
You gotta learn to live again

And reach out for her healin' hands
Reach out for her healin' hands
There's a light, where the darkness ends
Touch me now and let me see again
Rock me now in your gentle healin' hands

Givin' into the nighttime
Ain't no cure for the pain
You gotta wade into the water
You gotta learn to live again

And reach out for her healin' hands
Reach out for her healin' hands
There's a light, where the darkness ends
Touch me now and let me see again
Rock me now in your gentle healin' hands

Reach out for her healin' hands
Reach out for her healin' hands
There's a light, where the darkness ends
Touch me now and let me see again
Rock me now in your gentle healin' hands

Rock me now
Reach out for her healin' hands
Reach out for her healin' hands
There's a light, where the darkness ends
Touch me now and let me see again
