Another day has passed us by
Another day has passed you do
Another day, it's the many times
Has disappeared

We used to know
How can I go on?
And the children of many times us all
How can I go on?
And the children of many times us all
How can I go on?
'Cause I used to know

Dancing love has passed us by
Dancing love has passed you do
Dancing love, it's the many times
Has disappeared

We used to know
How can I go on?
And the children of many times us all
How can I go on?
And the children of many times us all
How can I go on?
'Cause I used to know

We used to, we used to, we used to know

The piano has passed us by
The piano has passed you do
The piano, it's the many times
Has disappeared

We used to know
How can I go on?
And the children of many times us all
How can I go on?
And the children of many times us all
How can I go on?
'Cause I used to know
How can I go on?

And the children of many times us all
How can I go on?
And the children of many times us all
How can I go on?
'Cause I used to know
How can I go on?
How can I go on?
How can I go on?
How can I go on?
How can I go on?
How can I go on?
How can I go on?
How can I go on?
