She was just seventeen
And you know what I mean
And the way she looked
Was way beyond compare

How could I dance with another
Oh, when I saw her standing there?

Well she looked at me
And I, I could see
That before too long
I fell in love with her

How could I dance with another
Oh, when I saw here standing there?

Well my heart went boom
As I crossed that room
And I held her hand in mine

Oh we danced through the night
And we held each other tight
And before too long
I fell in love with her

How could I dance with another
Oh, when I saw here standing there?

Well my heart went boom
As I crossed that room
And I held her hand in mine

Oh we danced through the night
And we held each other tight
And before too long
I fell in love with her

I never dance with another
Oh, when I saw here standing there
When I saw here standing there
