An amazing feeling - coming through

I was born to love you  
With every single beat of my heart  
Yes, I was born to take care of you  
Every single day of my life

You are the one for me  
I am the man for you  
You were made for me  
You're my ecstasy  
If I was given every opportunity  
I'd kill for your love, hey

So take a chance with me  
Let me romance with you  
I'm caught in a dream  
And my dream's come true  
So hard to believe  
This is happening to me  
An amazing feeling  
Comin' through

I was born to love you  
With every single beat of my heart  
Yeah, I was born to take care of you, huh  
Every single day of my life

I wanna love you  
I love every little thing about you  
I wanna love you, love you, love you  
Born - to love you  
Born - to love you  
Yes (born) I was born to love you  
Born - to love you  
Born - to love you  
Every single day of my life

I was born to love you  
With every single beat of my heart  
Yes, I was born to take care of you

Every single day of my life

Alright - hey, hey  
Every single day of my life

I was born to love you  
With every single beat of my heart  
Yeah, I was born to take care of you, honey  
Every single day of my life
