an amazing feeling coming through
I was born to love you
with every single beat of my heart
yes, I was born to take care of you
every single day of my life

you are the one for me, I am the man for you
you were made for me, you're my ecstasy
if I was given every opportunity I'd kill for your Love
so take a chance with me, let me romance with you
I'm caught in a dream, and my dream's come true
(it's) so hard to believe this is happening to me
an amazing feeling coming through

I was born to love you
with every single beat of my heart, yes
I was born to take care of you
every single day of my life

I wanna love you, I love every little thing about you
I wanna love you, love you, love you
born to love you, born to love you, yes I was born to
Love you
born to love you, born to love every single day of my
life
I was born to take care of you every single day of my
life

I was born to love you
with every single beat of my heart
yeah, I was born to take care of you, honey
every single day of my life
