Torn from their families  
Mothers go hungry  
To feed their children  
But children go hungry

There's so many big men  
They're out making millions  
When poverty's profits  
Just blame the children

If there's a God in heaven  
What's he waiting for?  
If he can't hear the children  
Then he must see the war

But it seems to me  
That he leads his lambs  
To the slaughter house  
And not the promised land

Dying for causes  
They don't understand  
We've been taking their futures  
Right out of their hands

They need the handouts  
To hold back the tears  
There's so many crying  
But so few that hear

If there's a God in heaven  
What's he waiting for?  
If he can't hear the children  
Then he must see the war

But it seems to me  
That he leads his lambs  
To the slaughter house  
And not the promised land

If there's a God in heaven  
What's he waiting for?

If he can't hear the children  
Then he must see the war

But it seems to me  
That he leads his lambs  
To the slaughter house  
And not the promised land

If there's a God in heaven  
Well, what's he waiting for?  
If there's a God in heaven  
What's he waiting for?

If there's a God in heaven  
What's he waiting for?  
If there's a God in heaven  
What's he waiting for?

If there's a God in heaven  
What's he waiting for?  
If there's a God in heaven  
What's he waiting for?
