I'm moving out of tombstone, yeah with the sun behind
my back

I'm tired of people talking of things that I lack
Ever since a week ago the day he passed away
I've been taking too much notice of the things they've
had to say

And all they say is you ain't half the man he used to be
He had strength and he worked his life to feed his
family

So if that's the way it has to be, I'll say goodbye to you
Oh I'm not the guy, or so it seems to fill my old man's
shoes

Like I'm a wicked way of life the kind that should be
tamed
They'd like to see me locked in jail and tied up in their
chains
Oh it's hard and I can't see what they want me to do
Lord, Lord
They seem to think I should step into the old man's
shoes

Like I'm a wicked way of life the kind that should be
tamed
They'd like to see me locked in jail and tied up in their
chains
Oh it's hard and I can't see what they want me to do
Lord, Lord
They seem to think I should step into the old man's
shoes

Like I'm a wicked way of life the kind that should be
tamed
They'd like to see me locked in jail and tied up in their
chains
Oh it's hard and I cannot see what they want me to do
Lord, Lord
They seem to think I should step into the old man's
shoes

Like I'm a wicked way of life the kind that should be

tamed
They'd like to see me locked in jail and tied up in their
chains
Oh it's hard and I cannot see what they want me to do
Lord, Lord
They seem to think I should step into the old man's
shoes

No I said like I'm a wicked way of life the kind that
should be tamed
They'd like to see me locked in jail and tied up in their
chains
